

Show Your Support For Georgia Tax Credit Scholarships!

DON'T LET THE SUN SET ON GEORGIA'S TAX CREDIT SCHOLARSHIP PROGRAM!

Georgia took a huge step forward for families two years ago and increased the Qualified Education Expense credit program from \$58 million to \$100 million for the next 10 years. This increase had led to thousands of children having opportunities in new schools that best meet their needs. This year, we're looking to remove the stepdown of the program cap in future years and keep the program at \$100 million. But we need your help.

We are asking parents, schools, and students (creative notes from the kids are best!) send thank you letters, notes, etc. to their lawmakers in support of the program. You can find your lawmakers by using this site, www.openstates.org, and typing in your address.

Please send your notes and thank you letters by **Friday, March 20th** to:

GEORGIA HOUSE OF REPRESENTATIVES
c/o REP. JOHN CARSON
STATE CAPITOL, SUITE 401-E
ATLANTA, GEORGIA 30334

We'd like to inundate this Capitol with thousands of letters!

Let's make this a huge effort with cards and letters from Georgia's kids (first name only for privacy is fine) and others. Thank you!!
